Adobe InDesign CS6 Digital Classroom Apr 01 2023 Expert book-and-video package helps you conquer Adobe InDesign CS6 Whether you want to create sophisticated page layouts for print or electronic books or produce dazzling brochures and other publications, chances are Adobe InDesign is the design and page layout tool you'll call upon. Now you can enhance your creativity and discover all the ways to use Adobe InDesign with this book-and-DVD training package. Thirteen self-paced lessons teach you how to design, produce, and develop streamlined workflows for page layout. Each lesson is accompanied by a video tutorial that clearly demonstrates techniques and further explains concepts. A complete Adobe InDesign book-and-video training package from the expert instructors at the AGI Creative Team Thirteen self-paced lessons allow you to absorb the material at your own pace Includes short, downloadable videos that demonstrate techniques

and further illustrate and explain concepts Covers the basics, the essentials, and seasoned techniques, as well as new features of InDesign CS6 Adobe InDesign CS6 Digital Classroom is like having your own personal instructor guiding you through each unique lesson. Note: The DVD and other supplementary materials are not included as part of the e-book file. These materials are available for download upon purchase.

A Rush to Violence Apr 20 2022 Sixteen years ago, Camille Miller left behind her life as an assassin in order to raise her daughter Emma. But now, when her billionaire father is found brutally murdered, she must tap into old instincts to learn who killed her father and why. The suspects? Her six siblings, each so desperate for their father's money that they'd kill for it. What Camille doesn't see coming is Emma's plan to solve the mystery first. Or P.I. Marty Spellman's assignment, which is to find Camille or risk the deaths of those dearest to him. Over the course of one day, all three players, plus Spellman's teenaged daughter Beth, find themselves in a race to the finish. Nobody's goals are what they appear to be. Twists abound. And not one single person, for one single moment, is safe.

Kid Normal Jan 24 2020 A hilarious, illustrated middle-grade adventure about a superhero with no superpowers! "Should appeal to readers who enjoy the Captain Underpants and Wimpy Kid series.†?" - School Library Connection When Murph Cooper begins his new school several weeks into the year, he can't help but feel a bit out of his depth. And it's not because he's worried about where to sit, making friends, and fitting in. It's because his mom has accidentally enrolled him at a school for superheroes. And unlike his fellow students, who can control the weather or fly or conjure tiny horses from thin air, Murph has no special abilities whatsoever. But Murph's totally normal abilities might just be what the world needs. Because not far away is a great big bad guy who is half man and half wasp, and his mind is abuzz with evil plans . . . and when he comes after the best and the brightest, it's up to Murph to be the real hero. With black-and-white illustrations throughout, this laugh-out-loud story proves that heroes come in all shapes and sizes.

Emmitt Smith Dec 17 2021 The star running back of the NFL. The All-Star center leading his team to the championship. Matt Christopher delves into the life of both of these sports stars, exploring the paths they have traveled, the hardships they have overcome, and the highs and lows of their careers. Each book contains exciting black-and-white action photos, the player's stats, and a list of his career highlights. Real-life sports action plus Matt Christopher's easy-to-read style equals a series not to be missed.

A Magical Half-Century Aug 01 2020

Bullied Jun 22 2022 In Christopher Smith's international best-seller **BULLIED**, the relentlessly bullied 18-year-old Seth Moore is gifted an amulet that ignites within him a wealth of supernatural powers. If Seth uses the amulet properly, it will protect him from those determined to crush him. But after so many years of being beaten down and humiliated, the question is whether Seth can resist creating a firestorm of horror when the bullies around him create one fatal, awful act that begs for revenge. Soon, all hell breaks loose. And when it does, a war builds against Seth as others vie to take control of the amulet and use its powers for themselves. It's a war that could mean the death of Seth's friends--and even Seth himself.

Running of the Bulls Jul 24 2022 **TWELVE PEOPLE TARGETED FOR DEATH...** Five years ago, each person sold out to the SEC and took the stand against Maxmilian Wolfhagen, the infamous arbitrageur who robbed the world of billions and brought about the collapse of the stock market. Now, with Wolfhagen out of prison, one by one, each is dying a grisly death. **TWO ASSASSINS WITH ONLY 48 HOURS TO CUT A SWATH OF MURDER AND REVENGE THROUGH NEW YORK...** With the time restrains so tight, the challenges are massive--but so are their ruthless skills. **MARTY SPELLMAN IS ON THE CASE...** Hired by the writer Maggie Cain to investigate Wolfhagen for a biography she's writing about him, private investigator Marty Spellman soon learns that all isn't what it seems as the twists pile up along with sheer number of the dead. His life is put on the line. His family is threatened. No one is who they appear to be. Who can he trust as the bulls of Wall Street start to run as the two assassins fully ignite their killing spree?

The Hermeneutics of Original Argument Jan 18 2022 What, precisely, does the word hermeneutics mean? And in what sense can one speak of the hermeneutics of original argument? The author explores these questions in order to build upon Heidegger's hermeneutical thought

Slow Church Study Guide Feb 16 2022 *Slow Church* by Chris Smith and John Pattison has been eagerly received by a people who are ready to be invited out of franchise faith and back into the kingdom of God. This eleven-session study guide provides an opportunity to reflect on the message of this groundbreaking book both individually and in community.

Ancient Rome Apr 08 2021 "Terrific . . . exactly the sort of collection we have long needed: one offering a wide range of texts, both literary and documentary, and that--with the inclusion of Sulpicia and Perpetua--allows

students to hear the voices of actual women from the ancient world. The translations themselves are fluid; the inclusion of long extracts allows students to sink their teeth into material in ways not possible with traditional source books. The anonymous texts, inscriptions, and other non-literary material topically arranged in the 'Documentary' section will enable students to see how the documentary evidence supplements or undermines the views advanced in the literary texts. This is a book that should be of great use to anyone teaching a survey of the history of Ancient Rome or a Roman Civilization course. I look forward to teaching with this book which is, I think, the best source book I have seen for the way we teach these days." -- David Potter, University of Michigan

Rehearsing Scripture Sep 25 2022 Popular preacher Anna Carter Florence explores how to read, encounter and interpret Scripture as it was originally intended - by doing so collectively with others. Drawing on practices from drama and the theatre, she shows how to bring familiar texts to life, uncovering meaning and better apprehending biblical truth for daily life. Her methods are illuminating, easy to grasp, and easily adaptable to a variety of contexts - ideal for study group leaders and pastors seeking to bring the Bible and the real lives of congregations into conversation. Full of helps for preachers especially, *Rehearsing Scripture* invites groups and churches to gather around a shared text and encounter God anew together.

Dancing Revolution Jul 12 2021 Throughout American history, patterns of political intent and impact have linked the wide range of dance movements performed in public places. Groups diverse in their cultural or political identities, or in both, long ago seized on street dancing, marches, open-air revival meetings, and theaters, as well as in dance halls and nightclubs, as a tool for contesting, constructing, or reinventing the social order. *Dancing Revolution* presents richly diverse case studies to illuminate these patterns of movement and influence in movement and sound in the history of American public life. Christopher J. Smith spans centuries, geographies, and cultural identities as he delves into a wide range of historical moments. These include the God-intoxicated public demonstrations of Shakers and Ghost Dancers in the First and Second Great Awakenings; creolized antebellum dance in cities from New Orleans to Bristol; the modernism and racial integration that imbued twentieth-century African American popular dance; the revolutionary connotations behind images of dance from Josephine Baker to the Marx Brothers; and public movement's contributions to hip hop, antihegemonic protest, and other contemporary transgressive communities' physical

expressions of dissent and solidarity. Multidisciplinary and wide-ranging, *Dancing Revolution* examines how Americans turned the rhythms of history into the movement behind the movements.

[The Adventure's of Peggy Spaghetti](#) Nov 03 2020 Say hello to Peggy Spaghetti, a fun-loving little girl who loves to explore and learn new things. Her hair, name, and favorite food all have one thing in common: spaghetti! Come join her on her many adventures.

Woodcock Rising Oct 03 2020 "It seems as though wherever wingshooters and dog people get together, and the talk turns to the things they read and the writers they respect, the name Steve Smith is one of the first mentioned. His biography includes over 35 years as an outdoor editor and involvement in the sporting industry. But through all of this, there was always woodcock. Smith did his graduate work on them, has hunted them in a dozen states and provinces, waits impatiently for the spring skydancing displays, and still can't sleep the night before the season opens. In the words of famed author Tom Davis: Other gamebirds excite; the woodcock beguiles. With his inimitable blend of wit, insight, expansive knowledge, and deep but lightly worn wisdom, Steve Smith beautifully chronicles his lifelong love affair with this enigmatic charmer"--Amazon.

Sign to Story Jun 10 2021 Do you feel stuck in your present life? Do you fear the future because all you can see right now is your current reality? You must not let those things define your life going forward. God never meant for you to be defined by one negative "sign" or struggle, misstep, or bad moment in your life. You are more than the "signs" unhappy circumstances have created or the "signs" the outside world tries to put on you. Place them all at the feet of Jesus and learn to move past them. Refuse to be defined by your "signs." Challenge yourself to move forward in faith, hope, and love, focusing on progress and personal growth. This interactive guidebook to life is an easy read but tackles deep topics with humor, connection, and assurance, and encourages you to reflect, plan, and prepare to live the story of your life more boldly.

The Walt Disney World That Never Was Jan 06 2021 The Imagineering Graveyard. On an alternate earth, Walt Disney World guests are taking in the thrills of Thunder Mesa, braving the Beastly Kingdom, marveling at Villains Mountain, and staying the night at Disney's Persian Resort. Want to join them? This is your guidebook to the theme park that Disney never built.

Park Avenue Nov 27 2022 *STEPHEN KING on Christopher Smith: "Put me down as an enthusiastic Christopher Smith fan. Smith is a cultural

genius." Sometimes, even after death, revenge carries on. Targets remain targets. People will die. From the grave, one man's will delivers the directive. Kill George Redman. Kill Leana Redman. Kill every Redman. Finish the job, crush them all, do it swiftly, rob them of their hopes, steal away their dreams. In Park Avenue, the sixth book in the hugely popular Fifth Avenue series (Fifth Avenue, Running of the Bulls, From Manhattan with Love, From Manhattan with Revenge, A Rush to Violence), the heat boils over as characters from each book collide in a single collective nightmare. For the Redmans, the problem is that this one man, long since deceased, is not alone in his quest to see them dead. Others are conspiring against the Redmans, which leads to a punishing series of events as they fight for their lives. Park Avenue, which skewers New York society to its core, is the most complicated and satisfying thriller yet by #1 international best-selling novelist, Christopher Smith. THE FIFTH AVENUE SERIES in order: Fifth Avenue Running of the Bulls From Manhattan with Love From Manhattan with Revenge A Rush to Violence Park Avenue

The Curious Incident of the Dog in the Night-Time Dec 25 2019 A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

Living Democracy: National Mar 27 2020

Crossing the River Aug 13 2021 A powerful exploration of grief and resilience following the death of the author's son that combines memoir, reportage, and lessons in how to heal. Everyone deals with grief in their own way. Helen Macdonald found solace in training a wild goshawk. Cheryl Strayed found strength in hiking the Pacific Crest Trail. For Carol Smith, a Pulitzer Prize nominated journalist struggling with the sudden death of her seven-year-old son, Christopher, the way to cross the river of sorrow was through work. In *Crossing the River*, Smith recounts how she faced down her crippling loss through reporting a series of profiles of people coping with their own intense challenges, whether a life-altering accident, injury, or diagnosis. These were stories of survival and transformation, of people facing devastating situations that changed them in unexpected ways. Smith deftly mixes the stories of these individuals and their families with her own account of how they helped her heal. General John Shalikashvili, once the most powerful member of the American military, taught Carol how to face fear with discipline and endurance. Seth, a young boy with a rare and incurable illness, shed light on the totality of her son's experiences, and in turn helps readers see that the value of a life is not measured in days. *Crossing the River* is a beautiful and profoundly moving book, an unforgettable journey through grief toward hope, and a valuable, illuminating read for anyone coping with loss.

How the Body of Christ Talks May 10 2021 In today's highly charged social and political environment, we often don't know how to talk well with others--especially with people whose backgrounds differ from our own. C. Christopher Smith, coauthor of the critically acclaimed and influential *Slow Church*, addresses why conversation has become such a challenge in the 21st century and argues that it is perhaps the most-needed spiritual practice of our individualistic age. Smith likens practicing conversation to the working of the human body. Bodies are wondrous symphonies of diverse, intricate parts striving for our health, and our health suffers when these parts fail to converse effectively. Likewise, we must learn to converse effectively with those who differ from us in the body of Christ so we can embody Christ together in the world. In community, we learn what it means to belong to others and to a story that is bigger than ourselves. Smith shows how church communities can be training hubs where we learn to talk with and listen to one another with kindness and compassion. The book explores how churches can initiate and sustain conversation, offers advice for working through

seasons of conflict, suggests spiritual practices and dispositions that can foster conversation, and features stories from several congregations that are learning to practice conversation.

Old Paths Aug 25 2022 Ryle expounds the great themes of the gospel and proves that this is indeed the 'good way' where true 'rest of soul' is to be found.

Slow Church May 02 2023 In today's fast-food world, Christianity can seem outdated or archaic. The temptation becomes to pick up the pace and play the game. But Chris Smith and John Pattison invites us to leave franchise faith behind and enter the kingdom of God, where people know each other well and love one another as Christ loves the church.

Daddy on Board Feb 28 2023 Was the world created by a stuffed animal named "Panna Bear"? How do you explain to your mom that every time she sees her grandson he's injured? What do you do when your 4-year-old boy discovers a Victoria's Secret catalog? Discover the answers in "Daddy On Board: Tales from the Front Seat," a collection of hilarious true stories straight from the front lines of daddyhood. Hitch a ride as this thirtysomething dad faces long work weeks with imaginary dragons, yaks and swords. Join him in a restroom break as he tries to keep a potty-trainee from touching anything. Learn a millennium version of "Don't make me stop this car and come back there " Christopher Smith is a real Daddy, who changes diapers and kisses boo-boos while fixing the kitchen sink. Parents, grandparents and parents-to-be will see themselves in his insightful slices of family life, and everyone will enjoy comments from the child he calls The Boy, who observes, "Some days it's hard. Some days it's not. Some days it's pudding."

Imperialism, Cultural Politics, and Polybius May 22 2022 The essays in this volume address central problems in the development of Roman imperialism in the third and second century BC. Published in honour of the distinguished Oxford academic Peter Derow, they follow some of his main interests: the author Polybius, the characteristics of Roman power and imperial ambition, and the mechanisms used by Rome in creating and sustaining an empire in the east. Written by a distinguished group of international historians, all of whom were taught by Derow, the volume constitutes a new and distinctive contribution to the history of this centrally important period, as well as a major advance in the study of Polybius as a writer. In addition, the volume looks at the way Rome absorbed religions from the east, and at Hellenistic artistic culture. It also sheds new light on the

important region of Illyria on the Adriatic Coast, which played a key part in Rome's rise to power. Archaeological, epigraphic, and textual evidence are brought together to create a sustained argument for Rome's determined and systematic pursuit of power.

Icelandic Magic - Aims, Tools and Techniques of the Icelandic Sorcerers

Dec 05 2020 In this unprecedented work, the author Christopher A. Smith has meticulously studied no less than 6 original Icelandic manuscripts dating from 1500 to 1860 to extract a picture of the aims, tools and techniques of Icelandic sorcerers. Set against the context of the harsh economic, social and environmental conditions of this North Atlantic island, the book gives a detailed account of the types of spells that were used and the motivations behind them. Hundreds of items from the six books of magic have been analysed to present the reader with a clear idea of the methods that were used, including incantation, invocation of deities and use of the enigmatic magical staves (galdrastafir). Furthermore, the book goes into great detail concerning the physical tools used by magicians and the kinds of objects that might have been found in a sorcerer's 'toolbox'. The book is illustrated throughout with images from the original manuscripts. Although it is not intended by any means as a book of instruction, one chapter does focus on workings of certain types and gives suggestions for those brave enough to try them out. All in all, this work will be an indispensable item for anyone interested in the history of magic in general and of Icelandic magic in particular.

A Companion to the City of Rome Mar 08 2021 *A Companion to the City of Rome* presents a series of original essays from top experts that offer an authoritative and up-to-date overview of current research on the development of the city of Rome from its origins until circa AD 600. Offers a unique interdisciplinary, closely focused thematic approach and wide chronological scope making it an indispensable reference work on ancient Rome Includes several new developments on areas of research that are available in English for the first time Newly commissioned essays written by experts in a variety of related fields Original and up-to-date readings pertaining to the city of Rome on a wide variety of topics including Rome's urban landscape, population, economy, civic life, and key events

Adobe Creative Cloud All-in-One For Dummies Oct 15 2021 Fly higher in your Creative Cloud Adobe Creative Cloud makes the most popular tools used by designers, photographers, and other creative professionals accessible in a single place. Adobe Creative Cloud All-in-One For Dummies is the ultimate one-stop reference guide for how to use them all. Whatever gets your

creative juices flowing, you'll find the in-depth guidance required to deliver the results you want, from polishing-up photos and images to creating illustrations and designs. And once your assets are just how you want them, you can pick up best practices for managing and publishing via the amazing Adobe Bridge. Written by pro designers for those getting started with this powerful set of tools, this book gives you an overview of Creative Cloud and step-by-step coverage of the major applications—InDesign, Illustrator, Photoshop, Acrobat Pro, and Adobe XD, and Adobe Bridge—in seven mini-books that take you from the basics to more advanced topics. You'll also discover how to get your work noticed by building personal galleries and displaying your creative wares. Find the essentials on the top tools in Adobe Creative Cloud Build and enhance your design skills Protect your documents with Acrobat Pro Get the most out of each program with insider tips Whatever your skill level and project needs, you'll find the essentials you need to demystify these complex programs and the knowledge to make your work shine even more brightly through the Cloud!

Ukraine's Revolt, Russia's Revenge Dec 29 2022 “This firsthand account of contemporary history is key to understanding Russia's latest assault on its neighbor.”—USA Today An eyewitness account by a U.S. diplomat of Russia’s brazen attempt to undo the democratic revolution in Ukraine Told from the perspective of a U.S. diplomat in Kyiv, this book is the true story of Ukraine’s anti-corruption revolution in 2013—14, Russia’s intervention and invasion of that nation, and the limited role played by the United States. It puts into a readable narrative the previously unpublished reporting by seasoned U.S. diplomatic and military professionals, a wealth of information on Ukrainian high-level and street-level politics, a broad analysis of the international context, and vivid descriptions of people and places in Ukraine during the EuroMaidan Revolution. The book also counters Russia’s disinformation narratives about the revolution and America’s role in it. While focusing on a single country during a dramatic three-year period, the book’s universal themes—among them, truth versus lies, democracy versus autocracy—possess a broader urgency for our times. That urgency burns particularly hot for the United States and all other countries that are the targets of Russia's cyber warfare and other forms of political skullduggery. From his posting in U.S. Embassy Kyiv (2012–14), the author observed and reported first-hand on the EuroMaidan Revolution that wrested power from corrupt pro-Kremlin Ukrainian autocrat Viktor Yanukovich. The book also details Russia’s attempt to abort the Ukrainian revolution through threats,

economic pressure, lies, and intimidation. When all of that failed, the Kremlin exacted revenge by annexing Ukraine's territory of Crimea and fomenting and sustaining a hybrid war in eastern Ukraine that has killed more than 13,000 people and continues to this day. Ukraine's Revolt, Russia's Revenge is based on the author's own observations and the multitude of reports of his Embassy colleagues who were eyewitnesses to a crucial event in contemporary history.

Fifth Avenue Jan 30 2023 Look beneath all the power and all the wealth that represents New York City's Fifth Avenue, and you'll find greed, blood, revenge. In the thriller "Fifth Avenue," each intermingles within a revered society that is unprepared for what's in store for it when one man finally strikes in an effort to destroy another man for murdering his wife thirty-one years ago. Louis Ryan is that man. George Redman, his wife, two daughters and their close friends are his targets. Both men are self-made billionaires who came from nothing to stake their claim to Fifth Avenue. But when Louis Ryan hires an international assassin to literally rip the Redman family apart, a series of events that can't be stopped catapults them all through a fast-paced, hard-edged thriller in which nobody is safe. Secrets are revealed. The Mafia get involved. And George's two daughters, Celina and Leana Redman, come to the forefront. More than anyone, it's they who are caught in the throes of their father's past as Louis Ryan's blind desire to kill them all takes surprising turns in his all-out effort to see them dead.

Botulinum Toxin in Urology Nov 15 2021 Bladder injection of onabotulinumtoxinA for the treatment of urinary incontinence due to neurogenic detrusor overactivity has recently been approved by regulatory agencies in several EU countries and by the FDA in the United States. This is the first book to focus on the practical application of botulinum toxin (BoNT) in the genitourinary tract. It covers in detail applications of BoNT in the bladder and the prostate and pelvic floor, with reviews of the latest clinical series and techniques in both adults and children. Appendices containing easy-to-read instructions for patients undergoing bladder and prostate BoNT injections are included, in addition to procedural guidelines for nursing staff. The book is written in a concise, clinically relevant style by two leading pioneers in the field, who were the first to undertake comprehensive basic research into the mechanisms underlying the efficacy and potential uses of BoNT within the lower urinary tract.

The Signs of a Savant Sep 01 2020 Every once in a while nature gives us insight into the human condition by providing us with a unique case whose

special properties illuminate the species as a whole. Christopher is such an example. Despite disabilities which mean that everyday tasks are burdensome chores, Christopher is a linguistic wonder who can read, write, speak, understand and translate more than twenty languages. On some tests he shows a severely low IQ, hinting at ineducability, yet his English language ability indicates an IQ in excess of 120 (a level more than sufficient to enter university). Christopher is a savant, someone with an island of startling talent in a sea of inability. This book documents his learning of British Sign Language, casting light on the modularity of cognition, the modality neutrality of the language faculty, the structure of memory, the grammar of signed language and the nature of the human mind.

Late Stone Age Hunters of the British Isles Feb 04 2021 For 7,000 years after the last ice age, the people of the British Isles subsisted by hunting wild game and gathering fruits of the forest and foreshore. Belonging to the late Upper Palaeolithic and Mesolithic periods, these hunter-gatherers have hitherto been viewed mainly in terms of stone tool typologies. *Late Stone Age Hunters of the British Isles* departs from this conventional approach, reassessing the archaeological evidence and placing it within a wider ecological and geographical context. This well illustrated study, which includes case studies, maps and photographs, provides a balanced approach to the study of a period that demands multi-disciplinary treatment. It outlines a range of considerations that have a bearing on the study of early societies in the British Isles, and also forms a useful guide to communities themselves as represented by known archaeological sites.

The Peacemaker #1 Mar 20 2022 "This is another chapter in the career of Christopher Smith, peace envoy and diplomat...a man whose entire life is dedicated to the elimination of war between men! A man who willingly risks his life to banish the use of violence...A master of the weapons he pleads with the world to lay down! Christopher Smith, whose alter ego is THE PEACEMAKER!" We have all five issues of this short-lived 1960s action comics - you can get them individually or all together in THE COMPLETE PEACEMAKER! ALL STORIES - NO ADS Get the complete catalog by contacting classiccomicslibrary@yahoo.com RARE COMICS CAN BE HARD TO FIND IN EXCELLENT CONDITION. These books are reprinted from the best available images, and the books will be updated as new copies are uncovered. Sometimes the early and rarer books reflect the age and the condition of the originals. Many people enjoy these authentic characteristics. Blood on the Range Feb 25 2020 Blood on the Range is the story of Nathan Todd, a tough, hard-working cowpuncher whose loyalty, quick temper and sense of fair play often get him into situations that test his mettle and his ability to survive. He's always been content on his own, but that all changes when he meets Bridget O'Connell. Set in the town of Santa Fuego, the story follows Nate's struggle to make a living and raise his standing in the community so that he can court the woman who has finally won his heart. The task at hand is hard enough, but the presence of murderous bandits in the area makes it that much harder. Overnight, Nate is thrown headfirst into a range war against the cruel and cunning Tunneys from the Striking S, and their deadly hired gunmen. With bandits on one side and the Striking S on the other, he'll have to use every skill at his disposal and rely on new allies if he's to survive and secure a future with Bridget.

The Great Dream Robbery Sep 13 2021 Unlike most 12 year-olds, Maya Clayton is desperate to go to bed early. Falling asleep is the only chance she has to save her dad - the brilliant but slightly odd Professor Dexter. The Professor invented a device that allows you to visit other people's dreams. But the devious Lilith Delamere has trapped him inside a nightmare and Maya and the mysterious Dream Bandits must find a way to rescue him before it's too late! Maya will face a dangerous journey and some difficult choices. But sometimes all you need is a dream . . . and a bit of courage. Featuring a hospital heist, some banana-loving llamas and a talking cat called Bin Bag, this is one mind-bending adventure you won't want to wake up from.

Peacemaker: Disturbing the Peace (2022) #1 May 29 2020 The breakout character from The Suicide Squad gets his own tale of peace ahead of the upcoming HBO Max TV show! Long before joining the Suicide Squad, Christopher Smith, code name Peacemaker, meets with a psychiatrist-a woman dangerously obsessed with his bizarre and violent past. From his tragic childhood to his military service overseas to his multiple missions with Special Forces, Smith has more than his share of skeletons in the closet. But who's actually analyzing whom? And will this trip down memory lane result in yet more fatalities? Garth Ennis and Garry Brown delve deep into Christopher Smith's history of violence, and reveal what might bring peace-or not-to the Peacemaker.

Atheist Awakening Jun 30 2020 "According to Cimino and Smith, the new upsurge of atheists is a reaction to the revival of religious fervor in American

politics since 1980. Feeling overlooked and underrepresented in the public sphere, atheists have employed a wide variety of strategies--some evangelical, some based on identity politics--to defend and assert themselves against their ideological opponents. These strategies include building and maintaining communities, despite the absence of the kinds of shared rituals, texts, and laws that help to sustain organized religions. Drawing on in-depth interviews with self-identified atheist, secularist, and humanist leaders and activists, as well as extensive observations and analysis of secular gatherings and media, Cimino and Smith illustrate how atheists organize and align themselves toward common goals, and how media--particularly web-based media--have proven invaluable in connecting atheists to one another and in creating a powerful virtual community. Cimino and Smith suggest that secularists rely not only on the Internet for community-building, but on their own new forms of ritual."--Publisher's Web site.

You Only Die Twice Apr 28 2020 Stephen King: "Put me down as an enthusiastic Christopher Smith fan. Smith is a cultural genius."Description: In her past, Cheryl Dunning died once. A violent act killed her, but heroics brought her back. Now, if she can't save herself from two serial killers hunting her in the Maine woods, she's about to die again, this time from two men armed with a Bible, guns, a deep belief in God, and their twisted interpretation of his word.Fueled by their righteous fury, they are determined to find Cheryl and murder her for what they perceive as her "life's worth of sins." What they don't know is what Cheryl knows. She's a Maine girl, born and raised--and she knows how to use these woods in ways that might, if she's lucky, turn them against each man.From the #1 international best-selling author of many thrillers, including "Fifth Avenue," "You Only Die Twice" is a blistering page-turner first, and a comment on Biblical interpretation second. It's Christopher Smith's most controversial and gripping novel to date.*Warning: "You Only Die Twice" is not for the faint of heart. This is a story of madness and the fight for survival, and it depicts realistic adult situations without hesitation.

From Manhattan with Revenge Oct 27 2022 "Carmen Gragera is a gifted international assassin. So was her lover, Alex Williams, before he was savagely murdered by a powerful syndicate who considered each end-of-cycle. Carmen escaped their wrath while within her, with Alex dead, her own wrath grew. Now, through unusual means, she's seeking her revenge against the syndicate for Alex's death. Assisting her is an eccentric, Park Avenue-based seasonings heiress and a 103-year-old former psychiatrist whose

contacts run deep. Also joining her is fellow assassin Vincent Spocatti, with whom Carmen has worked before, and for whom she has the utmost respect. But is the respect mutual?" -- Page [4] cover.
