The Secret Memoirs of Henry of Navarre's famous queen possess a value which the passage of time seems but to heighten. Emanating as they undoubtedly do from one of the chief actors in a momentous crisis in French history, and in the religious history of Europe as well, their importance as first-hand documents can hardly be overestimated. While the interest which attaches to their intimate discussions of people and manners of the day will appeal to the reader at the outset. Marguerite de Valois was the French contemporary of Queen Elizabeth of England, and their careers furnish several curious points of parallel. Marguerite was the daughter of the

famous Catherine de Médicis, and was given in marriage by her scheming mother to Henry of Navarre, whose ascendant Bourbon star threatened to eclipse (as afterwards it did) the waning house of Valois. Catherine had four sons, three of whom successively mounted the throne of France, but all were childless. Although the king of the petty state of Navarre was a Protestant, and Catherine was the most fanatical of Catholics, she made this marriage a pretext for welding the two houses; but actually it seems to have been a snare to lure him to Paris, for it was at this precise time that the bloody Massacre of St. Bartholomew's day was ordered. Henry himself escaped--it is said, through the protection of Marguerite, his bride,--but his adherents in the Protestant party were slain by the thousands. A wedded life begun under such sanguinary auspices was not destined to end happily. Indeed, their marriage resembled nothing so much as an armed truce, peaceable, and allowing both to pursue their several paths, and finally dissolved by mutual consent, in 1598, when Queen Marguerite was forty-five. The closing years of her life were spent in strict seclusion, at the Castle of Usson, in Auvergne, and it was at this time that she probably wrote her Memoirs. In the original, the Memoirs are written in a clear vigorous French, and in epistolary form. Their first editor divided them into three sections, or books. As a whole they cover the secret history of the Court of France from the years 1565 to 1582--seventeen years of extraordinary interest, comprising, as they do, the Massacre of St. Bartholomew, already referred to, the formation of the famous League, the Peace of Sens, and the bitter religious

persecutions which were at last ended by the Edict of Nantes issued after Henry of Navarre became Henry IV. of France. Besides the political bearing of the letters, they give a picturesque account of Court life at the end of the 16th century, the fashions and manners of the time, piquant descriptions, and amusing gossip, such as only a witty woman--as Marguerite certainly was--could inject into such subjects. The letters, indeed, abound in sprightly anecdote and small-talk, which yet have their value in lightening up the whole situation. ?????? ?????? ?????????? ??????? ??????. ? ?????? ?????????????? ?????????? ?????? ?? ?????? ?????????????? ?????????? ?????? ? ?????????? ??????????????. ??????? ?? ?????? ?????????????? ? ??, ?? ???? ?? ?????? ??????? ??-?????????? ? ?????????????? ?????? «????????????? ? ??????????: ?????? ? ??????????????» – ?? ?????? ?? ??????????????, ?????????????? ? ??????????????. ?????? ?????? ?????????????? ?????????????? ?????? ?????????? ?????? ?????????? ? ?????? ?????????? ? ?????????????????????? ?????? ?????????????? ? ?????????? ?????????????????? ?????????????????? ?????????????? ?????? ? ?????? ?????, ? ?????? ?????????? ?????????????? ?? ??????, ?????????????? ? ?????? ?????????, ?????????? ?????????????? ?????????? ?????? ??????????????. ?? ?????? ?????? ?????????????????? ?????????????? ?????? ?? ?????, ? ?????? ? ?????????? ?????? ??????????????. ?????????????? ?????????????? ?????????????? ?????? ?? ?????????????????? ?????????? ?????????????? ?????? ?? ?????????????????? ??????????.

Austen's most celebrated novel tells the story of Elizabeth Bennet, a bright, lively young woman with four sisters, and a mother determined to marry them to wealthy men. At a party near the Bennets' home in the English countryside, Elizabeth meets the wealthy, proud

Fitzwilliam Darcy. Elizabeth initially finds Darcy haughty and intolerable, but circumstances continue to unite the pair. Mr. Darcy finds himself captivated by Elizabeth's wit and candor, while her reservations about his character slowly vanish. The story is as much a social critique as it is a love story, and the prose crackles with Austen's wry wit.

Acclaimed by Jane Austen fans around the world, Linda Berdoll, Amanda Grange, and Sharon Lathan have spun rousing tales of Darcy and Elizabeth to collectively more than half a million raving fans. Now dive into the world of Jane Austen continuations and sequels with these three reader favorites, one each from three of the world's most renowned authors in the genre. This bundle includes three full novels: *Mr. Darcy Takes a Wife*, by Linda Berdoll; *Mr. Darcy's Diary*, by Amanda Grange; and *Mr. & Mrs. Fitzwilliam Darcy: Two Shall Become One*, by Sharon Lathan. Fun, funny, and true to the voice and spirit of Jane herself, these three books will bring you to Pemberley and take you places you never expected! About the Books in This Bundle: *Mr. Darcy Takes a Wife*, by Linda Berdoll Hold on to your bonnets! This sexy, epic, hilarious, poignant and romantic sequel to *Pride and Prejudice* goes far beyond Jane Austen. Linda Berdoll, author of *Darcy & Elizabeth: Nights and Days at Pemberley*, delivers a fun, steamy story that's been embraced by hundreds of thousands of fans. Every woman wants to be Elizabeth Bennet Darcy-beautiful, gracious, universally admired, strong, daring and outspoken—a thoroughly modern woman in crinolines. And every woman will fall madly in love with Mr. Darcy-tall, dark and

handsome, a nobleman and a heartthrob whose virility is matched only by his utter devotion to his wife. Their passion is consuming and idyllic-essentially, they can't keep their hands off each other-through a sweeping tale of adventure and misadventure, human folly and numerous mysteries of parentage. Mr. Darcy's Diary, by Amanda Grange Monday 9th September "I left London today and met Bingley at Netherfield Park. I had forgotten what good company he is; always ready to be pleased and always cheerful. After my difficult summer, it is good to be with him again. ..." The only place Darcy could share his innermost feelings was in the private pages of his diary. Torn between his sense of duty to his family name and his growing passion for Elizabeth Bennet, all he can do is struggle not to fall in love. Mr. Darcy's Diary presents the story of the unlikely courtship of Elizabeth Bennet and Fitzwilliam Darcy from Darcy's point of view. This graceful imagining and sequel to Pride and Prejudice explains Darcy's moodiness and the difficulties of his reluctant relationship as he struggles to avoid falling in love with Miss Bennet. Though seemingly stiff and stubborn at times, Darcy's words prove him also to be quite devoted and endearing- - qualities that eventually win over Miss Bennet's heart. This continuation by Amanda Grange, bestselling author of Mr. Darcy, Vampyre, is charming and elegant, much like Darcy himself. "Absolutely fascinating. Amanda Grange seems to have really got under Darcy's skin and retells the story, in diary form, with great feeling and sensitivity." - Historical Novel Society Mr. & Mrs. Fitzwilliam Darcy: Two Shall Become One, by Sharon

Lathan Sharon Lathan, author of *In the Arms of Mr. Darcy*, presents *Mr. & Mrs. Fitzwilliam Darcy*, a fascinating portrait of a timeless, consuming love -- and the sweetest, most romantic Jane Austen sequel. It's Darcy and Elizabeth's wedding day, and the journey is just beginning as Jane Austen's beloved *Pride and Prejudice* characters embark on the greatest adventure of all: marriage and a life together filled with surprising passion, tender self-discovery, and the simple joys of every day. As their love story unfolds in this most romantic of Jane Austen sequels, Darcy and Elizabeth reveal to each other how their relationship blossomed. From misunderstanding to perfect understanding and harmony, theirs is a marriage filled with romance, sensuality, and the beauty of a deep, abiding love. *Lady Catherine, the Earl, and the Real Downton Abbey* tells the story behind Highclere Castle, the setting for Julian Fellowes's Emmy Award-winning PBS show *Downton Abbey*, and the life of one of its most famous inhabitants, Catherine Wendell. In this transporting companion piece to the New York Times bestseller *Lady Almina and the Real Downton Abbey*, Catherine, a beautiful and spirited American woman who married Lady Almina's son, the man who would become the 6th Earl of Carnarvon, presides over the grand estate during a tumultuous time for the British aristocracy. Following the First World War, many of the great houses of England faded as their owners' fortunes declined in the new political and social world of the 1920s and 1930s. As war loomed, Highclere's survival as the family home of the Carnarvons was again in the balance—as was peace between the nations

of Europe. Using copious materials—including diaries and scrapbooks—from the castle’s archives, the current Countess of Carnarvon brings alive a very modern story in a beautiful and fabled setting, paying particular attention to the staff who provide Highclere Castle with continuity between generations. The classic hero of myth and legend is defined in masculine terms, but to judge a woman by the strengths and virtues of the typical male hero does her an injustice. The hero of "When Women Were Warriors" becomes a hero by learning to master herself and to understand the human heart.

3 Jane Austen Inspired Novellas

Miss Darcy’s New Companion Just as Alex, the Earl of Fane, decides to court the heiress Miss Darcy to save his estate, he unwittingly falls in love with her companion, beautiful but shabbily dressed Miss Wetherspoon. A mix-up involving Mr. Collins compels Alex to offer for Miss Darcy despite that his heart belongs to another. Miss Darcy’s Secret Love Thinking to please her brother, Miss Darcy plans to accept one of the fortune hunters courting her—even though she’s been in love with Captain Robert Farrington her whole life. When Robert returns to seek permission to marry another, Miss Darcy shows him she’s no longer the tag-along tomboy he remembers her as.

The Liberation of Miss de Bourgh Lady Catherine de Bourgh desires her dying daughter to wed a nobleman. Though he’s not in love with the invalid, Lord Seaton agrees to marry her for the much-needed fortune it will bring. And it will only be for a short while . . . His tender ministrations to his bride aid her recovery. Now can she capture his heart? Shaggy Beard wishes to take me to

wife! What a monstrous joke. That dog assassin whose breath smells like the mouth of Hell, who makes wind like others make music, who is so ugly and old! Catherine's in trouble. Caught between a mother who is determined to turn her into the perfect medieval lady and a father who wants her to marry her off to much older and utterly repulsive suitor. Luckily, Catherine has a plan. She has experience outwitting suitors and is ready to take matters into her own hands. A fun and vibrant coming-of-age novel about a 14-year-old girl's fight for freedom and right to self-determination. The great lady is very much like she is in canon until there is a horrific accident in 1804 where both her husband Lewis and her daughter Anne die. For a lady who believed she could control all by force of will and desire, the deaths of her family rock her world down to the foundations. She reevaluates all of her priorities, changes direction, and becomes a surrogate mother to both surviving Darcys. In his will Sir Lewis leaves his estate and all of his holdings to Richard Fitzwilliam as he is the only one of his three nephews to have to shift for himself. Sir Lewis and Anne were the last alive in the de Bourgh line. Jane Bennet, after losing more than one suitor to her mother's vulgar and inappropriate behaviour has had the blinders removed. Elizabeth is no longer in awe of her father as she has had her eyes opened to his indolence and abrogation of his parental responsibility. Rather than laugh with him at his treatment of his wife and younger daughters, she understands the inappropriateness of how her father behaves. The story is close to canon with regards to the interactions between the

Netherfield and Longbourn residents with the dastardly George Wickham pouring poison on our Lizzy's ear up to a point. We see a lot of that interaction through the eyes of William Collins who is very different from his portrayal in canon. Wickham is exposed, but not by Darcy. Bingley is his spineless self and allows his sister Caroline to rule his life and manipulate him while at the same time he looks to Darcy to make decisions for him. The Netherfield Party escapes to Town and Bingley deserts Jane without a word except for Miss Bingley's fiction she sends in her note and single reply to a Jane's three letters. Up to a point, Lady Catherine has taken a back seat. Unlike the lady we are used to, she does not want to insert herself into her relative's lives unless absolutely needed. When she sees too much happening which needs correcting, she decides to take charge. She leads her family in berating Darcy for his behaviour in Hertfordshire, his hauteur, and in not taking care of the scourge that is George Wickham. This story looks at how this iteration of Lady Catherine changes the trajectory of a number of character we all love, and some we dislike intensely. Joan Aiken, one of Jane Austen's most sparkling successors, takes up Austen's pen yet again, this time continuing where *Pride and Prejudice* left off in *Lady Catherine's Necklace*. In Austen's classic novel, the arrogant Lady Catherine de Bourgh tried vehemently to prevent the betrothal of her nephew Mr. Darcy, whom she had intended for her daughter Anne, to the less socially connected Elizabeth Bennet. Defeated, she retreats to her grand estate--Rosings Park. This enchanting sequel tells the story of what

happens one balmy April day when a sudden blizzard disrupts the weather, causes a carriage accident, and affects the lives of all those involved in a most amazing way. From out of the blizzard emerge the Delaval siblings. Miss Delaval, having twisted her ankle in the carriage accident, accepts Lady Catherine's gracious hospitality while she recovers. But the Delavals' presence proves disturbing to the entire household-- first causing the removal of two artists from their cottage home on the de Bourgh property, then meddling in Miss Anne's marriage plans. Suddenly, Lady Catherine is kidnapped, revealing some members of the household to be not at all what they seemed. Having lost her mother at a young age, Elizabeth Bennet desires the presence of a mother in her life. When a young widow arrives in the neighborhood, Elizabeth knows she has found a woman well suited to joining her family, recommending her to her father as a desirable wife. Fortunately for Elizabeth, his father needs little encouragement, and soon after proposes. Fitzwilliam Darcy comes to Hertfordshire with his friend Charles Bingley, he anticipates meeting the Bennets, for their new mother is none other than his aunt, Lady Catherine Bennet. The introduction goes poorly, however, as Darcy unwittingly insults her second stepdaughter, angering her ladyship and creating a question of his character in Elizabeth's mind. Darcy, seeing the worth of the Bennet family, comes to an appreciation for them, including Miss Elizabeth, to whom he makes amends. As Elizabeth comes to know Mr. Darcy better, she gains insight into his character, and soon each begin to understand that the other will be a

perfect partner in life. In this, they have Lady Catherine's blessing, for the woman loves her new daughters very much. Yet, within ranks of Lady Catherine's extended family, there are members who do not appreciate her new connections, who have other notions as to their family's future. Yet Lady Catherine is a woman of fortitude, a woman attentive to all matters within her sphere of influence, and no one will stand in the way of her new daughter's happiness. Through chronologies, alphabetically arranged entries, and extensive bibliographies, this encyclopedia provides detailed and comprehensive information about Austen's life, works, and critical reputation. This thrilling conclusion to the Fitzwilliam Darcy, Gentleman trilogy recounts the climactic events of Jane Austen's *Pride and Prejudice* from its enigmatic hero's point of view. One of the most beloved romantic heroes in all of literature, Fitzwilliam Darcy remains an enigma even to Jane Austen's most devoted fans. But with this concluding volume in the Fitzwilliam Darcy, Gentleman trilogy, novelist and Austen aficionada Pamela Aidan at last gives readers the man in full. *These Three Remain* follows a humbled Darcy on the journey of self-discovery after Elizabeth Bennet's rejection of his marriage proposal, in which he endeavors to grow into the kind of gentleman he's always dreamed of being. Happily, a chance meeting with Elizabeth during a tour of his estate in Derbyshire offers Darcy a new opportunity to press his suit, but his newfound strengths are put to the test by an old nemesis, George Wickham. Vividly capturing the colorful historical and political milieu of the Regency era, Aidan

writes in a style evocative of her literary progenitor, but with a wit and humor very much her own. While staying faithful to the people and events in Austen's original, she adds her own fascinating cast of characters, weaving a rich tapestry out of Darcy's past and present that will beguile his admirers anew. This Revised and Expanded Edition contains hundreds of new notes and illustrations. The first-ever fully annotated edition of one of the most beloved novels in the world is a sheer delight for Jane Austen fans. Here is the complete text of *Pride and Prejudice* with thousands of annotations on facing pages, including:

- Explanations of historical context Rules of etiquette, class differences, the position of women, legal and economic realities, leisure activities, and more.
- Citations from Austen's life, letters, and other writings
- Parallels between the novel and Austen's experience are revealed, along with writings that illuminate her beliefs and opinions.
- Definitions and clarifications Archaic words, words still in use whose meanings have changed, and obscure passages are explained.
- Literary comments and analyses Insightful notes highlight Austen's artistry and point out the subtle ways she develops her characters and themes.
- Maps and illustrations of places and objects mentioned in the novel.
- An introduction, a bibliography, and a detailed chronology of events

Of course, one can enjoy the novel without knowing the precise definition of a gentleman, or what it signifies that a character drives a coach rather than a hack chaise, or the rules governing social interaction at a ball, but readers of *The Annotated Pride and Prejudice* will find that these kinds of details add immeasurably to

understanding and enjoying the intricate psychological interplay of Austen's immortal characters. Francell Lee Schrader has read and studied the three hundred and sixty-four impressive letters of this fourteenth century saint still extant and has included many beautiful and poetic quotations from them in this volume. Saint Catherine of Siena was born in Renaissance Italy in 1347. She was not only a person of great goodness, but she was really the first lady to use her own brilliant intellect and Divine Light in the world of men and actually bring about many changes. Her correspondence with King, Pope, Prince, and Military Leader achieved amazing things, and as an International Peace Negotiator she prevented some wars and brought Peace in others. All this in an age where no lady had ever before attempted such things. Saint Catherine of Siena is one of only three ladies to have the Title "Doctor of the Church." The author sees in Catherine, who has been one of her favorite saints since childhood, a forerunner of all the marvelous brilliant lady leaders doing great things in the present day, and she hopes readers will find her story a joy and perhaps an inspiration for their own lives. This book is a work of art containing vivid descriptions of many beauties of the Renaissance, which the reader will treasure always. A stunning new full-length biography of Queen Catherine of Aragon, Henry VIII's wife of over twenty years. The first ever written by a female historian and to concentrate on Catherine as a Tudor woman, rather than a pawn of in the dynastic power plays of men. A 3-act play about a 29-year old woman desperate to be married. Social commentary on the dependent status of

women by the author of "Marriage as a Trade." Also published in novel form. An iconic novel dressed in a fierce design by acclaimed fashion illustrator Ruben Toledo. This couture-inspired collection also features Jane Eyre, The Picture of Dorian Gray, Dracula, The Scarlet Letter and Wuthering Heights. Ruben Toledo's breathtaking drawings have appeared in such high-fashion magazines as Vogue, Harper's Bazaar, and Visionaire. Now he's turning his talented hand to illustrating the gorgeous deluxe editions of three of the most beloved novels in literature. Here Elizabeth Bennet's rejection of Mr. Darcy, Hester Prynne's fateful letter "A", and Catherine Earnshaw's wanderings on the Yorkshire moors are transformed into witty and surreal landscapes to appeal to the novels' aficionados and the most discerning designer's eyes. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. To escape her oppressive family, Lady Catherine Harcourt plans to wed a rogue. But when she's sent to the Lake District to repent for her rebellion, she can't find a rake anywhere. She does, however, discover Phillip Woodmere, a handsome gentleman farmer whose character is as sweet as his kisses. But can she truly find her heart's desire so far away from the "ton?"

London, 1853 – Lady Catherine and Alexander Gray share a passion... because Catherine IS Alexander Gray! Catherine is a lady now, and that means she needs to give up her secret life of fencing. She can't keep pretending to be a boy and fraternizing with men, but before she does, she's determined to win the upcoming fencing tournament and have her *nom de guerre* engraved on the traveling trophy. Her mother plans to marry her off by the end of the season, so this will be her last chance to enjoy her freedom. When she risks everything to save the life of the dashing marquess, her secret identity fails her. Can the Mad Marquess find a bride? Daniel, Marquess of Huntley, wants to be embraced by London society, but to do that, he needs to quash the rumors of his father's madness. He plans to marry the most proper and well-connected woman he can find so they can raise stable, respectable children with stainless pedigrees. He certainly isn't interested in some hoyden with a penchant for masquerading as a boy and flaunting society's rules. In fact, he'd prefer to keep her at a distance. It comes down to a question of honor... When a penniless earl uncovers Catherine's secret and blackmails her, the only path out of social ruin is marriage, but to whom? She soon learns that matrimony provides little protection when a vengeful suitor is plotting the ultimate revenge.

LADY CATHERINE'S SECRET is Book 2 in Sheridan Jeane's **SECRETS AND SEDUCTION** Series **THE SECRETS AND SEDUCTION SERIES** Book 0.5 – Lady Cecilia is Cordially Disinvited for Christmas Book 1 – It Takes a Spy... Book 2 – Lady Catherine's Secret Book 3 - Once Upon a Spy Book 4 - My

Lady, My Spy Book 5 - Along Came a Spy Three weeks at Rosings will test the patience of any person, and illuminate the true nature of their affections... If her sister can marry well, and she can avoid Mr Collins, that is all the happiness Elizabeth Bennet can ask for. The first seems certain, with Mary and Colonel Fitzwilliam's wedding on the horizon. Alas, her own future is not yet close to settled, and she must endure three weeks in the company of Lady Catherine de Bourgh, who takes an immediate dislike to the elder of the two Bennet sisters. Fitzwilliam Darcy is happy to accompany his cousin's party to Rosings, although he tires of his aunt's scheming within hours. He determines on a solution that might offer both he and Elizabeth an escape from the machinations of their families, but can he convince her of its wisdom? With one couple matched and a wedding on the horizon, can a second romance manage to blossom under the interfering nose of Lady Catherine de Bourgh? "The great lady is very much like she is in canon until there is a horrific accident in 1804 where both her husband Lewis and her daughter Anne die. For a lady who believed she could control all by force of will and desire, the deaths of her family rock her world down to the foundations. Book 3 - Once Upon a Spy
Book 4 - My Lady, My Spy
Book 5 - Along Came a Spy

The publication

of Robinson Crusoe in London in 1719 marked the arrival of a revolutionary art form: the novel. British writers were prominent in shaping the new type of storytelling - one which reflected the experiences of ordinary people, with characters in whom readers could find not only an escape, but a deeper understanding of their own lives. But the novel was more than just a reflection of British life. As Sebastian Faulks explains in this engaging literary and social history, it also helped invent the British. By focusing not on writers but on the people they gave us, Faulks not only celebrates the recently neglected act of novelistic creation but shows how the most enduring fictional characters over the centuries have helped map the British psyche. In this ebook, Sebastian celebrates the greatest lovers in fiction - from Mr Darcy to Lady Chatterley. Also included are three classic novels: *Pride and Prejudice* by Jane Austen: Accomplished Elizabeth Bennett must navigate a web of familial obligations and social expectations in this witty drama of friendship, rivalry, enmity and love. *Wuthering Heights* by Emily Brontë: The story of an all consuming love which knows no boundary between life and death, Emily Brontë's novel is a stunningly original and shocking exploration of obsessive passion. *Tess of the D'Urbervilles* by Thomas Hardy: In a bid to alleviate her family's poverty, Tess visits the D'Urbervilles and unwittingly sets out on a path of suffering, love, social inequality and betrayal. *Pride and Prejudice* is a novel first published in 1813. The story follows the main character Elizabeth Bennet as she deals with issues of manners, upbringing, morality, education, and marriage in the society

of the landed gentry of early 19th-century England. Mansfield Park is Jane Austen's 1814 novel focusing on Fanny Price, the daughter of a poor Portsmouth family, who is taken to live with her aunt and uncle Bertram's family on their estate at the age of ten. Surrounded by her wealthy and privileged cousins, and continually reminded of her lower status by her bullying Aunt Norris, Fanny grows up timid and shy, but with a strong sense of ethics, partly instilled by her kindly cousin Edmund. Fanny's gratitude and friendship for Edmund gradually grow into love, but the introduction of Mary and Henry Crawford, a captivating sister and brother, into the neighborhood of Mansfield Park, confuses and complicates the affections of the Bertram household. Emma is a novel about youthful hubris and the perils of misconstrued romance. The novel was first published in 1815. As in her other novels, Austen explores the concerns and difficulties of genteel women living in Georgian-Regency England; she also creates a lively comedy of manners among her characters. Jane Austen (1775 – 1817) was an English novelist whose works of romantic fiction, set among the landed gentry, earned her a place as one of the most widely read writers in English literature. Her realism and biting social commentary have gained her historical importance among scholars and critics. Lady Catherine Harcourt, daughter of a duke, tries to escape her cold, repressive family by eloping with a rake. She is exiled to her aunts' cottage in the Lake District, where she meets Philip Woodmere, a gentleman farmer as kind as he is ruggedly attractive. She is drawn to Philip's strength and warms to his

lively family, but a secret from her past threatens their chance for happiness. Complete in one volume. Lady Catherine de Bourgh is prepared to be very generous when it comes to medical care for her sickly daughter, Anne - generous enough to lure noted physician Dr. Thomas Bennet to give up his London practice and move his family to Rosings Park. But his good income comes with a price: complete dependence on his demanding patroness's every whim. Now the Bennet family is trapped, reliant on Lady Catherine for their survival. Their patroness controls every aspect of the Bennet household, from the shelves in the closet to the selection of suitors for the five Bennet daughters. Now she has chosen a husband for headstrong Elizabeth Bennet- Mr. George Wickham. But Lady Catherine's nephew, Fitzwilliam Darcy, is not so sure about his aunt's choice. He is fascinated by the compassionate Elizabeth who seems to effortlessly understand everyone around her, including him. Lady Catherine has other plans for Darcy, though, and she forbids Elizabeth to even speak to him. As Anne's health takes a turn for the worse, Darcy and Elizabeth are thrown together as Dr. Bennet struggles to save Anne's life. Darcy can no longer deny the truth - he is in love with Elizabeth Bennet. But Lady Catherine will do anything to stop Darcy from marrying her - even if it means Elizabeth will lose everything she loves. Sweet Regency Romance Lady Joan grew up in a modest household in a poor community. When she and her childhood friend, Elliot, fell in love as they grew older, Joan promised to wait for him, planning on marrying when Elliot rose to a higher position in society.

However, as the wait grew longer, Joan became impatient. When the son of a wealthy coal owner began to express interest in her, Joan hardly hesitated to marry rich and leave her hometown. Now, years later, Lady Joan is reminded of her choice when her old lover, Elliot, who is now a pastor, gets stationed at the church close to Joan's estate. While Joan reconsiders her past choice of money over love, she is also concerned with the future when she learns that her son, Herrick, has fallen in love with a girl named Lois, threatening the marriage arrangement Joan and her husband were planning for him. Torn between the past and future, Joan must make peace with the decision she made as a young woman while attempting to control her son's love life.

Separated into three volumes, Catherine Louisa Pirkis' *Red Sister: A Story of Three Days and Three Months* follows the drama of two generations facing similar issues of love and life. Set in England during the late 19th century, *Red Sister: A Story of Three Days and Three Months* provides a beautiful and descriptive portrayal of both the aristocratic and middle classes of the late 1800s. With love triangles, family drama, and tragic deaths, *Red Sister: A Story of Three Days and Three Months* remains to be compelling and intriguing nearly one-hundred and thirty years after its original publication. This edition of *Red Sister: A Story of Three Days and Three Months* by Catherine Louisa Pirkis features a new, eye-catching cover design and is printed in an easy-to-read font. With these accommodations, *Red Sister: A Story of Three Days and Three Months* is restored to modern standards while preserving the original beauty of Catherine

Louisa Pirkis' work.
