Presents lyrics to the well-known song, interspersed with additional verses about babies. While a grandmother and grandchildren wait for the bus, they sing the title song with such gusto they miss their bus. A perfect picture book to share with children starting school or those riding the school bus for the first time. It's the first day of school for Tess, and it's also her very first ride on a school bus. Waiting at the bus stop with her older friend Gus, Tess eagerly asks, "Is this the bus for us, Gus?" as each vehicle passes by. Award-winning author and illustrator Suzanne Bloom introduces young readers to a diverse cast of characters and a variety of vehicles in this

charming book that makes a great gift for any child about to start school. The wheels on the bus go round and round on the way to the watering hole. But who's on the bus? A lion roars, flamingos flap, and a hyena laughs a big ha-ho-hee as they travel on the bus with their animal friends. Don't forget to watch out for the crocodile too, whose jaws go snap! Together, a simple trip becomes a raucous adventure that young readers can sing and move along with at any story hour, family reading time, or energy-filled morning. Jane Cabrera's Story Time celebrates children's best-loved read along nursery rhymes and songs. These interactive favorites are given a new twist by award-winning artist Jane Cabrera and feature her bold, bright, kid-friendly illustrations. Other titles in the series include Ten in the Bed, Old Mother Hubbard, and Old MacDonald Had a Farm. Roar, stomp, and clap along to the tune of "Wheels on the Bus" with a group of playful dinosaurs as they go on their first bus journey! Hop on the bus with a rowdy bunch of dinosaurs, as they travel up and down, round and round, all through the land. A delightful reinvention of the classic "Wheels on the Bus" rhyme, this book is full of action-packed moments, dynamic illustrations, and is sure to take readers on a fun-filled adventure! Imagine a bus system that is fast, frequent, and reliable--what would that change about your city? Buses can and should be the cornerstone of urban transportation. They offer affordable mobility and can connect citizens with every aspect of

their lives. But in the US, they have long been an afterthought in budgeting and planning. Transit expert Steven Higashide uses real-world stories of reform to show us what a successful bus system looks like. Higashide explains how to marshal the public in support of better buses and argues that better bus systems will create better cities for all citizens. With a compelling narrative and actionable steps, Better Buses, Better Cities describes how decision-makers, philanthropists, activists, and public agency leaders can work together to make the bus a win in any city. Different animals--including seals, tigers, geese, rabbits, monkeys, and more--make their own sounds as they ride all around the town on a bus. During the years 1974 to 1986, after working as an assistant to Wally Wood, Paul Kirchner created several comic strips such as Dope Rider for High Times magazine and the bus for Heavy Metal. In 2012, Tanibis published an anthologie of the bus strips that was nominated at the Angoulême International comics festival, proving that even a 30-year old public transportation vehicle can take part in a Grand Prix. In 2013, Paul Kirchner surprised commuters when he decided to start working again on the bus. He fixed the old vehicle up, took it out of the garage and called its iconic passenger in the white overcoat back on duty, waiting to be taken on new, exotic adventures. The bus' unpredictable personality causes him to mimic classic pop culture icons such as King-Kong or Steve Martin while in turn analyzing or

teleporting his passenger. And that's only when it's not cheating on him with other commuters. Kirchner's new ideas are on par with the original strips, proving that his creativity didn't end with the 80's. The crazy cartoon logic of the original strips is still present, and wackiness is the norm. Some details, such as the so-called « smart » phones or the passengers' looks, root the stories in the 21st century, but Paul Kirchner's universe retains a timeless vintage aesthetic that blends eras, lending these new stories a hint of nostalgia. The bus 2 will be published in hardcover horizontal format identical to the previous collection. Back in that twilight dimension he calls home, it is rumored that Paul Kirchner is at work on new material for his psychedelic western Dope Rider. After all it seems that the bus' passenger is not the only one who gets caught occasionally in strange time warps... Parts of the bus 2 material have previously been published in magazines in north America and in Europe. "In a story where every turn is possible, if improbable, Graham makes readers believe. High hopes and busy, vibrant artwork . . . will entice children." — Booklist (starred review) One morning in front of Stella's house, an abandoned bus appears, looking sad as a whale on a beach. On its front, held up with packing tape, is a hand-painted sign that says Heaven. Right away, the bus brings change to Stella's street when people stop to talk about it instead of rushing by. "This bus could be ours," Stella declares. With a master's eye for finding

the magic in the mundane, Bob Graham creates an encouraging story about community — a whimsical tale about neighbors of all ages and stripes coming together, and about one little girl who comes into her own. Rachel Simon, a career-driven woman, is living a hyper-busy life when, out of the blue, her sister Beth asks her to ride buses with her for a year. Rachel is reluctant at first. Not only is she busy, but her relationship with Beth has never been easy. Beth has mental retardation and, although she can look after herself, she can still be a handful. She ends up agreeing to Beth's request...and the journey begins. Riding the Bus with My Sister is a beautifully written chronicle of the life-changing year Rachel spent riding the buses with Beth. In Beth's world she finds unlikely heroes in the bus drivers and learns to live in the moment. Most importantly, she starts to heal the wounds of the past and reach a new, sisterly understanding with Beth. This is a heart-warming story that tells of an inspirational journey, at once unique and universal. Presents a version of the traditional song about a rickety old bus with it's wheels going round on the way to a Guatemalan town, with parallel text in Hmong and English. Join the Teddy Town Express with this delightful version of the timeless classic. The traditional Wheels on the Bus can be enjoyed by a new generation with David Ellwand's superb photography featuring traditional toys and teddies. A sound button plays the familiar tune and can be pressed with every turn of the page

to really bring the toys to life! When a bus driver takes a break in this hilarious Caldecott Honor-winning picture book, he gives the reader just one instruction: "Don't let the pigeon drive the bus!" But, boy, that pigeon tries every trick in the book to get in that driving seat: he whines, wheedles, fibs and flatters. Will you let him drive? Told entirely in speech bubbles, this brilliantly original and funny picture book demands audience participation! Sometimes things are really tough. It's just too hard, you've had enough. Grumble, rumble, bump, and roar, The Struggle Bus is at your door. Strap in and hold on tight! Through all the ups and downs, you have what it takes to do hard things. Rolling, rollicking rhymes take readers on a journey of perseverance, where challenges are faced and mountains are climbed. Here's a Sing 'N Move Book You and Your Child Will Love! Six Baby Genius characters join together in this lively, interactive book to show kids how to move when they sing this popular children's song. All six Baby Genius characters show children how to move to the popular song The Wheels on the Bus Go 'Round and 'Round. When they sing "the wipers on the bus go swish-swish-swish," children can move their hands from side to side like windshield wipers! Each character cleverly illustrates how to move hands and arms to simulate the actions throughout the book. What makes this book so much fun is that the children will be singing, learning, and moving with their favorite Baby Genius characters! An

exciting sing-along board book features a fun-filled rhythmic text and charming full-color illustrations for toddlers. A perfect picture book to share with children starting school or those riding the school bus for the first time. It's the first day of school for Tess, and it's also her very first ride on a school bus. Waiting at the bus stop with her older friend Gus, Tess eagerly asks, "Is this the bus for us, Gus?" as each vehicle passes by. Award-winning author and illustrator Suzanne Bloom introduces young readers to a diverse cast of characters and a variety of vehicles in this charming book that makes a great gift for any child about to start school. The final Origami Yoda case file from the kids at McQuarrie Middle School! After successfully fighting to save their field trip in Princess Labelmaker to the Rescue!, Tommy and the gang prepare for a well-earned day of fun and adventure in Washington, DC . . . but of course it won't be that easy! This trip to the nation's capital will be full of shifting alliances and betrayals, carsickness and sugar rushes. Trouble starts even before the buses leave school, when Principal Rabbski decrees the field trip an "origami-free zone." Dwight secretly folds a Yoda from a Fruit Roll-Up, but will Fruitigami Yoda be a match for Harvey's sour, hate-filled pickle of darkness? Watch out! Move out of the way! Hold onto your tails! There are ... BUNNIES ON THE BUS! And they aren't stopping for ANYONE! The bunnies have taken over the bus and they're on a wild ride across the streets of Sunnytown! They whizz

past the bus stop, swerve around corners and zoom over crossings on a non-stop roller coaster adventure! There are bunnies on the roof! Bunnies in the aisle! DO sit down, bunnies, or you'll end up in a pile! Eventually, they come to a stop ... at the train station. And what's that they've spotted? A TRAIN! Uh-oh, here we go again... A hilarious romp of a book, with a fantastic read-aloud rhyming text and spectacular illustrations. Simple text and illustrations in this bus shaped board book help young readers learn to count to ten. A "heartwarming, life-affirming" memoir of a relationship with an intellectually disabled sibling: "Read this book. It might just change your life" (Boston Herald). Beth is a spirited woman with an intellectual disability who lives intensely and often joyfully, and spends most of her days riding the buses in Pennsylvania. The drivers, a lively group, are her mentors; her fellow passengers, her community—though some display less patience or kindness than others. Her sister, Rachel, a teacher and writer, camouflages her emotional isolation by leading a hyperbusy life. But one day, Beth asks Rachel to accompany her on public transportation for an entire year—and Rachel accepts. This wise, funny, deeply affecting book is the chronicle of that remarkable time, as Rachel learns how to live in the moment, how to pay attention to what really matters, how to change, how to love—and how to slow down and enjoy the ride. Weaving in anecdotes and memories of terrifying maternal abandonment, fierce sisterly

loyalty, and astonishing forgiveness, Rachel Simon brings to light a world that is almost invisible to many people, finds unlikely heroes in everyday life, and, without sentimentality, wrestles with her own limitations and portrays Beth as the endearing, feisty, independent person she is. "With tenderness and fury, heartbreak and acceptance . . . Simon comes to the inescapable conclusion that we are all riders on the bus, and on the bus we are all the same." —Jacquelyn Mitchard, author of *The Deep End of the Ocean* It's December 1, 1955. A boy and his mother are riding the bus in Montgomery, Alabama like any other day—way in the back of the bus. The boy passes time by watching his marble roll up and down the aisle with the motion of the bus... Until a big commotion breaks out from way up front. With simple words and powerful illustrations, Aaron Reynolds and Coretta Scott King medalist Floyd Cooper recount the pivotal arrest of Rosa Parks at the dawn of the Civil Rights Movement. Introduces the numbers one through ten as the bus driver makes his rounds and picks up an unusual assortment of passengers. A toothsome take on a much loved nursery rhyme - with an all-singing, all-dancing finale! A haunted Halloween bus ride that will have children singing with excitement. THE SPOOKY WHEELS ON THE BUS is a humorous Halloween-themed version of the classic song THE WHEELS ON THE BUS...with a few ghoulish tricks and treats up its sleeves! Count from One Spooky Bus up to Ten Goofy Ghosts

as this Halloween ride races through town picking up a few unsuspecting passengers along the way. "The bees on their skis go zoom zoom zoom... the sheep in the jeep race through the mud... the tiger in the glider does loop-the-loops... all day long!" Join in the fun with a host of colourful animals as they ride, soar, whizz and zoom on a whole range of exciting vehicles from tigers on gliders to ducks on trucks. Little ones will love singing along to the tune of a favourite nursery rhyme, with bold, colourful illustrations. Presents the traditional nursery rhyme about a bus going all around town. This memoir chronicles the Dead's seminal years: 1965-1985. 'The bus went over and the bus went around. The bus went up and the bus went down. ' Winter and summer Little Cat goes to school on the big red bus with her big sister. But one day, Little Cat's big sister is sick and Little Cat must go to school on her own. Unfortunately, on the way back home, Little Cat falls asleep on the bus and no one notices. When she wakes up the bus is empty and it's dark outside. As soon as the bus driver realises what has happened, he sits her in the very special spot up the front of the bus and takes Little Cat home. This is the 'full' expanded PDF desktop version of Michael Brein's Travel Guide to Hawaii which includes an ultra-large, zoomable official map of Honolulu's public bus system with embedded links to visitor attractions. This version of the Hawaii guide is optimized for desktops and tablets. A 'lite' version (\$3.99) for mobile devices is also

available but without these special features of the 'full' expanded edition. Michael Brein's Hawaii Travel Guide helps you get to the city of Honolulu's and the Island of Oahu's top 50 visitor attractions easily and cheaply using Honolulu's excellent public bus system known affectionately as 'The Bus.' From the Arizona Memorial to the Polynesian Cultural Center and around the island by bus, with this ultra simple guide you have all you need to discover and get to Honolulu's 50 top points of interest or top 10 "Must See" attractions if you have limited time. The Honolulu guide also helps you to find the nearest bus stops and which routes to take; see how to exit the bus stops and walk to the attractions; note other nearby points of interest; view the attraction's location on the Honolulu bus map; and get to attractions without needing wireless internet access. Finally, the Honolulu guide also includes an Extra Bonus Supplement which shows how to visit the main visitor attractions by public bus on the islands of Maui and Hawaii (The Big Island). Michael Brein's Honolulu Travel Guide is compact, concise, and comprehensive and is so simple and convenient to use--it is really all you need on your mobile device to get to all of Honolulu's top sights. And since it's based on Michael Brein's acclaimed travel guide series to sightseeing by public transportation, it's the simplest way to get around the world's big cities. Similar guides to London, Paris, Chicago, Washington, DC, and Madrid are available, and others are planned. Watch the wheels on the

bus go round and round and sing along. Cute babies sing a classic song on a bus ride through town. In rhyming text, an exuberant cast of kids express their travel preferences while ultimately agreeing that the bus is the best ride of all because it's designed for everyone to share. As the old bus collects an odd assortment of passengers, the reader may join in with the sounds of the bus and motions of the driver and passengers. An interactive board book that lends a new twist to "Wheels on the Bus"! The feelings on the bus go 'round and 'round, All 'round the town. Take a turn on this busy city bus to discover what everyone is feeling. Spin the wheel to match the feeling to the scene, then sing along with the familiar song in this creative introduction to emotions. A fun, updated take on the classic children's song, this novelty board book shaped like a stylishly modern bus will have kids acting and singing along—and reflecting on their own varied emotions. • A cute and clever intro to emotions for babies and toddlers • Classic sing-a-long for parents and children • Unique shape and interactive features help engage young readers A classic read-aloud sing-along book for young fans of such books as My Fun School Bus, Tonka: Fire Trucks!, and The Little School Bus. This charming sing-able, read-able board book helps children identify emotions, a key early childhood developmental milestone. • Read-aloud books for ages 0-3 • School bus books • Bus shaped book He was one of pro football's most beloved and respected stars, admired not

only by NFL fans and his own teammates, but by his opponents as well. Super Bowl champion; six time Pro Bowler; NFL Comeback Player of the Year; NFL Man of the Year; fifth all-time leading rusher in the NFL; future Hall of Famer; now NBC Sports commentator. You may think you know Jerome Bettis, but you don't. In *The Bus*, Jerome Bettis tells his full, unvarnished story for the first time--from his sometimes troubled childhood in inner-city Detroit to his difficult transition at Notre Dame, to a pro coach who almost caused him to quit the game, to a trade for the ages that resulted in ten glorious seasons with the Pittsburgh Steelers. As a chunky child wearing glasses,

Jerome's only sports-related aspiration was to become a professional bowler. But growing up in one of the roughest neighborhoods in Detroit, he eventually found his escape on the high school football field, thanks to the devotion of hard-working parents, a concerned coach, and his prodigious talent. He arrived at Notre Dame as one of the nation's best prep players, but despite his incredible performances, he never stopped worrying that he would somehow blow his chance to make good. Drafted and later discarded by the Los Angeles Rams, it was in the football-obsessed city of Pittsburgh that Jerome found his home and became a legend. *The Bus* captures the sweetness and honesty of Bettis, but also

details the jaw-dropping, violent nature of the game he loved, the mind-boggling injuries he endured, and the cut-throat NFL business tactics he overcame and later mastered. Through it all, Jerome was also a loving son, an adoring father, and the ultimate teammate and mentor. *The Bus* not only takes you under the helmet, but inside the huddle, the locker room, the practice field, the negotiating table, the owner's office, and the Super Bowl sideline. You'll learn how Bettis became *The Bus*, how he helped engineer the greatest trade in Steelers history, how he almost cost Pittsburgh a conference championship, and how sweet it was to win—finally—one for the thumb.
